DETAILED ACTION / ALLOWANCE

Continued Examination Under 37 CFR 1.114

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application on 2/15/2006 after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action (mailed on 10/17/2005) has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 2/15/2006 has been entered.

Response to Amendment

2. Acknowledgement is made of the amendment filed by the applicant on 2/15/2006, in which independent Claim 26 was amended and Claim 12 was canceled. **Claims 13 – 17 and 19 – 28** are pending in U.S. Application Serial No. 10/607,912, and an Office action on the merits follows.

Drawings

3. The drawings (3 sheets, 8 figures) filed on 6/27/2003 are approved by the examiner.

Allowable Subject Matter

4. *Claims 13 – 17 and 19 – 28* are allowed.
5. The following is an examiner's statement of reasons for allowance: Independent Claim 26 (from which Claims 13 – 17, 19 – 25, 27, and 28 depend) is drawn to a

process for forming an amorphous layer of hafnium oxide on a substrate. The prior art of record, alone or in combination, does not teach or reasonably suggest producing an amorphous layer of hafnium oxide by the combination of process steps and limitations claimed by the applicant (e.g., forming a vapor of hafnium by reactive evaporation of metallic hafnium, and condensing without ion bombardment the vapor on the substrate under oxygen, the process comprising a plurality of deposit periods interrupted by cooling periods, each cooling period lasting for a time equivalent to one or several times the preceding deposit period, whereby the amorphous hafnium oxide layer is formed on the substrate).

6. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
